

Prefixed with data length

Size prefix in bits

8

16

32

Data

A diagram illustrating data length prefixes. On the left, three rectangular boxes are stacked vertically, each containing a number representing a size in bits: 8, 16, and 32. The boxes increase in width from top to bottom. To the right of these boxes is a larger rectangular box labeled 'Data'. The entire diagram is enclosed in a black rectangular border.
